Jesus loves to Write

Imagine you are one of the people who did kind things. What might you be thinking when you discover you have been serving Jesus? What sort of things did you do? Did you realise when you did them that you were doing what Jesus would want? Write your thoughts in the bubble.

Family time

Talk How does God want us to treat people?

Do Practise being kind by writing a list of 10 kind things that you as a family can do this week to help each other and others.

Pray We pray for everyone who is hungry, thirsty, cold, sick or alone. Help us not to just think about ourselves but to see how we can help those around us. Amen.
