The Earth does not belong to us

This we know: the earth does not belong to us.
The earth is the Lord's and so are all it's people
This we know: we did not weave the web of life.
The earth is the Lord's and so is all that breathes on it.
This we know: we are called to till and work the earth.
The earth is the Lord's and so are all who work the
land.
This we know: that we are called to take care of
creation.
The earth is the Lord's yet we have polluted and
abused it.
This we know; that whatever befalls the earth
Befalls the sons and daughters of the earth
This we know: that the earth is the Lord's
And so we will serve Him in it
Amen

St Paul's Pantry Update: We want to say a **HUGE THANK YOU** to all of you who have collected and donated food. An amazing **1767.13 kg** of food was donated in April. This is a tremendous total, and we are so grateful as the pantry has become **very** short of several food items. Unfortunately demand for food parcels is still high and our stocks got so low we had to ask other local foodbanks if they could help us out, luckily one of them was able to help us out.

In March St Paul's Pantry has provided **195 people** with crisis food parcels which represents **81 households**.

We are aware that many of you may be thinking of collecting food donations. We would really appreciate it if you could get any food items to us ASAP. Please remember that ordinary long life food items are still really the main priority, and we are currently continuously short of items such as UHT milk, jam and long-life cakes/puddings. Many thanks for your continued support, we really appreciate it.
